

The Insurance Handout – Commercial – COVID-19

(All non-Medicare plans)

The Price of Insurance Appointments vs Private Pay Appointments

The regular rate for an initial consultation (2-hours) is \$365 and a follow-up consultation (1-hour) is \$160. That is the price we bill insurance. We can give a discount to private pay clients, those who pay out-of-pocket at the time of service. The private pay rate for an initial consultation (2-hours) is \$265 and a follow-up consultation (1-hour) is \$110. It is important to know if your insurance will pay before you come in. If we submit a claim for nutrition counseling and your claim is denied, you will be required to pay the full insurance rate.

Do you have more than one Insurance?

Nutritional Weight & Wellness, Inc. is a provider for Blue Cross Blue Shield, Medica and Medicare. Those are the only insurances we bill.

Primary insurances need to be billed before secondary insurances.

If Blue Cross Blue Shield, Medica or Medicare is not your primary insurance, you will need to pay at the time of service and ask for a Superbill to send the claim to insurance yourself.

If you have any questions at all, please call Shirley at: 651-288-2709 or email her at Shirley@weightandwellness.com.
